**NIELSEN BUILDERS, INC.**

Dear Mr. Biller:

I am pleased to write this letter of recommendation for Nielsen Builders, Inc. Nielsen recently completed the children's addition to the Augusta County Library around February 1st of this year.

The Project Manager, Drake Mandeville, and Superintendent, Jason Blöse, did a very good job and we found that both gentlemen carried out their work in a very professional manner. The addition was constructed while the other part of the Library was open to the public, and Jason worked extremely well with the Library staff. The project went smoothly and with minimum change orders.

The subcontractors that Nielsen hired for the project worked well and their workmanship was excellent, particularly the electrical subcontractor, Myers & Whitesell, and the mechanical contractor, Boyers Heating & Air Conditioning.

In summary, the County would recommend Nielsen Builders to any other jurisdiction or private developer in the region, and I personally would be pleased to work with Drake and Jason again on another County project.

Sincerely,

John C. McGehee  
Asst. County Administrator
