Dear Patti:

I write to tell you how pleased I am with the work of Nielsen Builders in the construction of the new Fine Arts Center at Blue Ridge Community College.

At the beginning of the project, the college faced significant budget challenges. Your company helped us identify several cost saving measures that enabled us to commence construction. Throughout the project, your employees kept the building on schedule and within the agreed budget. When issues did arise, Nielsen demonstrated a cooperative spirit and a professional approach to solve the problem.

I do hope that your company will consider us for future construction projects. We would enjoy the opportunity to work with you again.

Sincerely,

James R. Perkins  
President
