

PROJECT REPORT

CFW nTelos Customer Care Center

CLIENT:	CFW Ntelos
LOCATION:	Waynesboro, Virginia
ARCHITECT:	APR Associates
CONTRACT:	\$3.58 million
COMPLETED:	February 2001

Special Features: This project consisted of a three-story office building, with a steel frame and EFIS exterior. The interior included metal stud partitions, with large open spaces for modular furniture. The project was bid a design/build, with 75% complete drawings. There was minimal site work. The building tied into the existing customer care and PCS projects. The building is 51,144 square feet.

The Nielsen Partnership: Nielsen enjoyed a good working relationship with the owner. The owner was prompt in decision making and working toward resolution of any important issues.
