Dear Mr. Biller,

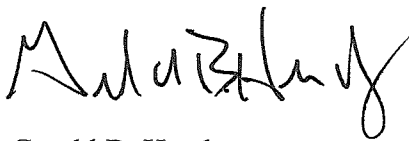

I am pleased to write this letter of recommendation for Nielsen Builders, Inc. Nielsen recently completed the new DuPont Community Credit Union office on Kaylor Drive in Harrisonburg, Virginia.

Project Manager Joe Miller and Superintendent Gary Grogg did a wonderful job. Gary was great to work with, and very responsive. When he noticed something might become a problem with the sub contractors, he immediately got the necessary people together to work it out. As you know, this can be a rare quality in a superintendent.

The customer service we received was quite good. We got the sense that Nielsen focused on the owner. The Nielsen employees were responsive to our needs and questions.

I would highly recommend Nielsen as a general contractor. In my opinion, Nielsen strives to deliver the best product on schedule and within budget.

Sincerely,

Gerald B. Hershey
