

PROJECT REPORT

JMU Track and Field Relocation

CLIENT:	James Madison University
LOCATION:	Harrisonburg, Virginia
ARCHITECT:	Clough, Harbour & Associates
CONTRACT:	\$2.8 million
COMPLETED:	October 2003

Special Features: This project consisted of a new playing field for women's field hockey and lacrosse with the playing field being encompassed by an eight-lane, 400 m running track. Halfway through the construction, the plan was changed from natural turf to an Astro-Turf surface with an extensive underground drainage system.
