

PROJECT REPORT

Stonewall Jackson High School

CLIENT:	Shenandoah County Public Schools
LOCATION:	Quicksburg, Virginia
ARCHITECT:	Mather Barras
CONTRACT:	\$9.7 million
COMPLETED:	February 2004

Special Features: This project consisted of extensive renovations of the main building, an administration addition, a two-room classroom addition, a computer room addition, and a new gymnasium with all supporting facilities.

The Nielsen Partnership: The county and school staff were very open and agreeable to anything that would finish the project sooner. As a result, we finished six months ahead of schedule.
