

PROJECT REPORT

T.C. McSwain Elementary School

CLIENT: Augusta County Public Schools
LOCATION: Staunton, Virginia
ARCHITECT: VMDO
CONTRACT: \$8.5 million
COMPLETED: August 2006

Special Features: The scope of the project included sitework improvements, construction of a new gymnasium, media center, and classroom additions and renovation of approximately 50,000 square feet of existing space. The renovations also included asbestos abatement, architectural improvements, re-roofing, comprehensive upgrades to mechanical plumbing and electrical systems, installation of a new fire protection system and foodservice equipment.

The Nielsen Partnership: Principal Linda L. Lunsford of Thomas C. McSwain Elementary School, says, "Thank you for sharing such talented, competent, and professional individuals (John Smith and his crew) with us. You should be proud of how well they, along with the other members of the Nielsen crew, represent your company. You've got some really nice folks working for you and I am pleased to get to work with them all."
