

PROJECT REPORT

VMI Dormitory

CLIENT:	Virginia Military Institute (VMI)
LOCATION:	Lexington, Virginia
ARCHITECT:	Clark-Nexsen
CONTRACT:	\$3 million
COMPLETED:	August 2005

Special Features: This project involved renovating the Old Barracks, including providing fire protection for the Old and New Barracks. The main steam supply piping was upgraded. New site drainage was provided at the Old Barracks Courtyard. A new roof and paver cover was installed at the New Barracks Courtyard. All barracks rooms were painted. Nielsen also worked on various building and site improvements, such as new roof gutters and repairing downspouts. Some landscape work was also done on the Old Barracks.
